* All Grand Prix qualifying riders and horses will be assigned a team. Each team is auctioned off during the Calcutta with the winning bid becoming the "Team Owner."

* The auctioned monies raised will be split with "Team Owners" of the First, Second, and last placing teams and Assistance in Healthcare.

Assistance in Healthcare is a charitable, not for profit, volunteer organization which was founded to assist patients and their families who are financially distressed as a result of their noble fight against cancer and other catastrophic illnesses. AIH eases those burdens by providing funds to help defray their non-medical bills. Every cent of every dollar donated to AIH goes to patients and their families.
